	Page
1. Introduction.....	7
2. The Galvanizing Process	8
3. Liquid Metal Assisted Cracking (LMAC).....	9
3.1 Metallurgical Aspects	9
3.2 Prerequisites for LMAC	10
4. Inspection	11
5. Repair.....	12
6. Practical Guidance	13
6.1 Structural Design and Detailing	13
6.2 Type and Quality of Steel	13
6.3 Fabrication.....	14
6.4 The Galvanizing Process.....	15
7. Concluding Remarks	16
8. Bibliography.....	17
ANNEX A	
Example Welding Procedure Specification	18
ANNEX B	
Check list for Controlling LMAC	19
ANNEX C	
Examples of LMAC	20
